MANAGEMENT INFORMATION CIRCULAR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON DECEMBER 4, 2015

GENERAL PROXY INFORMATION

Solicitation of Proxies

This management information circular (the “**Circular**”) is provided in connection **with the solicitation by the management of Abcourt Mines Inc. (the «Corporation» or “Abcourt”) of proxies** to be used at the Annual Meeting of shareholders of the Corporation (the «**Meeting**») to be held on December 4, 2015 and at any adjournment thereof for the purposes set forth in the accompanying Notice of Meeting. While management intends to solicit most proxies by mail, some proxies may be solicited by telephone, email or other personal contact by directors or officers of the Corporation. Those persons will not receive any extra compensation for those activities. The total cost of the solicitation will be borne by the Corporation.

Appointment and Revocation of Proxies

The persons named in the accompanying form of proxy are officers and directors of the Corporation. **However, each shareholder has the right to appoint a person (who need not be a shareholder) other than the persons specified in the form of proxy to attend and act on behalf of that shareholder at the Meeting. Such right may be exercised by inserting the name of such person in the blank space provided in such form of proxy and depositing the completed proxy with Computershare, by mail to or in person at Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 or by fax at 1-866-249-7775, not later than 5:00 p.m. (Montreal time) on December 2, 2015, or not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in Montreal) before any adjourned Meeting.** The Chairman of the Meeting may waive this time limit for receipt of proxies by Computershare without notice.

It is important to ensure that any other person appointed attends the Meeting and is aware that he or she has been appointed to vote the shares. Proxy holders should, upon arrival at the Meeting, present themselves to a representative of Computershare.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his or her attorney authorized in writing and depositing it either (i) at the registered office of the Corporation to the attention of the Corporate Secretary no later than the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or (ii) with the Chairman of the Meeting on the day of, but prior to the commencement of the Meeting or any adjournment thereof. A shareholder may also revoke a proxy by delivering another form of proxy duly signed and bearing a later date, by depositing it in the above manner or in any other manner permitted by law.

Voting of Proxies

The persons named in the enclosed form of proxy will vote or withhold from voting the common shares of the Corporation (the “**Common Shares**”) in respect of which they are appointed in accordance with the direction of the shareholders appointing them on any ballot that may be called for and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **Where such a shareholder fails to specify a choice, the persons named in the enclosed form of proxy will vote the Common Shares represented by such proxy FOR each of the matters referred to in this Circular.**

There are four ways for registered shareholders to vote their Common Shares. A shareholder is a registered shareholder if his or her name appears on his or her share certificate. A registered shareholder may: (i) vote

in person at the Meeting; (ii) complete and sign the enclosed form of proxy and appoint one of the named persons or another person the shareholder chooses to represent him and to vote his shares at the Meeting and mail or fax it; (iii) vote electronically on the Internet; or (iv) vote by telephone. Shareholders should make sure that the person they appoint is aware that she or he is appointed and attends the Meeting. Completing, signing and returning the form of proxy does not preclude a shareholder from attending the Meeting in person. If a shareholder does not wish to attend the Meeting or does not wish to vote in person, the shareholder's proxy will be voted or withheld from voting, in accordance with the instructions specified on his or her proxy, on any ballot that may be called at the Meeting. If the shareholder is a corporation or other legal entity, the form of proxy must be signed by an officer or attorney authorized by such corporation or other legal entity.

To vote by telephone, registered Shareholders should call 1-866-732-8683 or to vote electronically, go to www.investorvote.com and enter their personalized 12-digit e-voting control number printed on their form of proxy and follow the instructions on the screen.

If a registered shareholder wishes to attend the Meeting and wishes to vote her or his shares in person at the Meeting, it is not necessary for the registered shareholder to complete or return the form of proxy. Registered shareholders' votes will be taken and counted at the Meeting. Registered shareholders should register with the Corporation's transfer agent, Computershare, upon arrival at the Meeting.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and to other matters which may properly come before the Meeting. At the time of this Circular, the management of the Corporation knows of no such amendment, variation or other matter expected to come before the Meeting other than the matters referred to in the Notice of Meeting.

Advice to Beneficial Holders of Shares

The information set forth in this section should be reviewed carefully by the non-registered shareholders of the Corporation. Shareholders who do not hold their Common Shares in their own name ("**Beneficial Shareholders**") should note that only proxies deposited by shareholders who appear on the records maintained by the Corporation's registrar and transfer agent as registered holders of Common Shares will be recognized and acted upon at the Meeting. If the Common Shares are not registered in the shareholder's own name, they are held in the name of a "nominee", usually a bank, trust company, securities dealer or broker or other financial institution. Applicable securities laws and regulations require nominees of Beneficial Shareholders to seek their voting instructions in advance of the Meeting. Therefore, unless a Beneficial Shareholder has previously informed his or her nominee that he or she does not wish to receive material relating to shareholders' meetings, he or she will receive this Circular in a mailing from such nominee, together with a form of proxy or voting instruction form. Each nominee has its own signature and return instructions. It is important that the Beneficial Shareholder comply with these instructions if he or she wants the voting rights attached to her or his shares to be exercised. If the Beneficial Shareholder which has submitted a proxy wishes to change his or her voting instructions, the Beneficial Shareholder should contact his or her nominee to find out whether this is possible and what procedure to follow.

Neither the Corporation nor its registrar and transfer agent have a record of the names of the Beneficial Shareholders of the Corporation. If a Beneficial Shareholder attends the Meeting, neither the Corporation nor the registrar and transfer agent will have knowledge of the Beneficial Shareholder's shareholdings or his or her entitlement to vote, unless the nominee has appointed the Beneficial Shareholder as proxyholder. Therefore, if you are a Beneficial Shareholder and wish to vote in person at the Meeting, you must insert your name in the space provided on the form of proxy or voting instruction form sent to you by your nominee. By doing so, you are instructing the nominee to appoint you as proxyholder. It is important that the signature and return instructions provided by the nominee are complied with. It is not necessary to otherwise complete the form as you will be voting at the Meeting.

If you are a Beneficial Shareholder and Computershare has sent these proxy materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf. By choosing to send these proxy materials to you directly, the Corporation (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please complete and return the materials in accordance with the instructions provided by Computershare.

All references to shareholders in this Circular and the accompanying form of proxy and Notice of Meeting are to registered shareholders unless specifically stated otherwise.

Oversight and Description of Director and NEOs Compensation

The Board of directors has no compensation committee. The Board assumes the responsibility to establish the compensation of each NEO based on the knowledge, skills, experience and level of responsibilities, taking into consideration the market conditions and the financial situation of the Corporation. The CEO makes proposals to the Board as to the compensation of the NEOs and the Chairman of the Audit Committee proposes the compensation of the directors. The Board reviews these proposals on an annual basis and, in doing such task, evaluates the NEOs achievements during the preceding year. At this stage of development of the Company, the Board does not take into consideration performance and goals to establish the NEOs compensation. Traditional performance standards, such as corporate profitability, earnings per share, results of exploration and development programs or the increase of benefits from its operations are not considered by the Board to be appropriate in the evaluation of the compensation of the NEOs. The compensation of the NEOs is based, in substantial part, on compensation practices and fees payable to external consultants in the industry and trends for junior companies. An important element of the compensation is the grant of stock options, which does not require cash disbursement from the Corporation.

The Corporation has not retained any third party advisors to conduct compensation reviews of its competitors' pay levels and practices.

The Corporation does not offer benefit programs, such as life, medical, long-term disability or other insurance and the directors and officers do not benefit from a retirement plan.

Securities Authorized for Issuance under Equity Compensation Plans

The following table sets forth securities of the Corporation that are authorized for issuance under equity compensation plans as at June 30, 2015, the end of the Corporation's most recently completed financial year.

Plan Category	Number of Securities to be issued upon exercise of outstanding options	Average exercise price of outstanding options	Number of securities remaining available for issuance under equity compensation plans
Equity compensation plans approved by securityholders (Stock Option Plan)	9,250,000	\$0.09	2,700,000
Equity compensation plans not approved by securityholders	N/A	N/A	N/A

Pursuant to its Stock Option Plan, the Corporation may, from time to time, grant to eligible directors, officers, employees and consultants of the Corporation, options to acquire Common Shares in such number, at such exercise prices, and for such terms as may be determined by the Board. The Stock Option Plan is a plan whereby a fix number of Common Shares are issuable upon exercise of stock options. It was initially adopted in October 1996 and approved by the shareholders in December 1997 and was thereafter modified with the approval of the shareholders in December 2001 and December 2012. The maximum number of Common Shares that may be issued under the Stock Option Plan is 14,500,000.

The exercise price shall not be less than the closing price of the Common Shares on the TSX Venture Exchange (the "Exchange") the day preceding the grant and is subject to the minimum exercise price allowed by the rules of the Exchange at the date of the grant. The maximum number of Common Shares which may be reserved for issuance to any one person pursuant to stock options during a twelve-month period may not exceed 5% of the Common Shares outstanding at the time of grant (on a non-diluted basis). No more than 2% of the issued shares of the Corporation may be granted to any one consultant in any 12 month period. No more than 2% of the issued shares of the Corporation may be granted to a person conducting investor relations activities in any 12 month period. Options shall vest and the method of vesting, provided that options issued to consultants performing investor relations activities must vest in stages over 12 months with no more than 1/4 of the options vesting in any three month period.

All options must be exercised no later than 5 years from the date of the grant and they are not transferable. Unless otherwise decided by the Board, if a director, employee or consultant ceases to act as such (including in reason of death), each option held by such person will be exercisable during 12 months following the date on which such person ceased to be a participant under the Stock Option Plan but only up to and including the original option expiry date. Options granted to a person engaged in investor relations activities must expire within 30 days after this person ceases to be employed to provide such services.

When granted, the Board may determine other restrictions or conditions to the exercise of the stock options. As of June 30, 2015, the outstanding stock options were not subject to any such specific restrictions or conditions.

Indebtedness of Directors and Executive Officers

No director, officer, employee or previous directors, officers or employees of the Corporation was indebted to the Corporation at any time in its last completed financial year in connection with the purchase of securities of the Corporation of for any other reason.

AUDIT COMMITTEE INFORMATION

Regulation 52-110 requires the Corporation to disclose annually certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

Charter of the Audit Committee

The charter of the audit committee is annexed as Schedule "A".

Composition of the Audit Committee

The audit committee is currently composed of Marc Filion (Chairman of the committee), Normand Hinse and François Mestrallet. Regulation 52-110 provides some guidance to determine if a member of an audit committee is “independent”. Based on Regulation 52-110, the Board has determined that Marc Filion is not an independent member in reason of his role of CFO of the Corporation since October 2014 and that Normand Hinse is not independent in reason of his family relationship with the CEO of the Corporation. Although François Mestrallet owns more than 10 % of the outstanding Common Shares since January 2015, the Board has examined relevant facts and circumstances and determined that he is not automatically controlling the Corporation and that he is still an independent member of the audit committee. The Board has also determined that each of the members of the audit committee is “financially literate” within the meaning of Regulation 52-110.

Relevant Education and Experience of the Audit Committee Members

Marc Filion, Chairman of the Committee

AUDIT COMMITTEE CHARTER

This Charter was adopted in conformity with *Regulation 52-110 on the Audit Committee* ("**Regulation 52-110**"). The Audit Committee Charter sets out the mandate and responsibilities of the Audit Committee (hereinafter described as the "**Audit Committee**" or the "**Committee**") and describes the qualifications and status required to become a member. The Committee reviews its charter periodically and, as required, makes recommendations to the Board of Directors (hereinafter described as the "**Board of Directors**" or the "**Board**") as to any changes to be made.

I. Overall Purpose - Role of Audit Committee

The Committee is a committee of the Board to whom the Board has delegated the responsibility of reviewing the financial reporting process. The Audit Committee has a general mandate to assist the Board in fulfilling its responsibilities with regard to the financial information of the Corporation and its accounting practices, mainly in the process of reporting and disclosure. In this context, the Committee:

- ensures the reliability and the integrity of the Corporation's financial statements and financial information, as well as other information made public by the Corporation;
- supervises the management of accounting systems and internal controls;
- assists in ensuring proper communications between the directors and the external auditors;
- supports the independence of the external auditors;
- supports the duties of the external directors in facilitating in-depth discussions between the directors members of the Audit Committee, Management and the external auditors;
- supervises the activities of the external auditors appointed to carry out an audit or to perform other related services; and
- recommends to the Board the appointment of the external auditors and their remuneration.

The Committee has the authority to examine and make recommendations on any question brought to its attention. The Committee, in carrying out this mandate, has access, upon request, to all relevant information concerning the Corporation's operations, whether this information is in the hands of the Corporation, a subsidiary or a related person.

The Committee may, at his own discretion, use the services of outside consultants.

2. Committee Responsibilities - Audit

In general, the Committee's mandate is to supervise the reporting and disclosure processes of the Corporation and to report on its activities to the Board.

The Committee must ascertain that adequate procedures are in place to review the public disclosure by the Corporation of financial information extracted or derived from its financial statements and must periodically assess the adequacy of these procedures.

The Committee must establish procedures for the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls, or auditing matters; and the confidential, anonymous submission by employees of the Corporation, if any, of concerns regarding questionable accounting or auditing matters.

And, more particularly,

2.1 Financial Statements, Notes, Management Reports and Press Releases

- 2.1.1 The Committee examines the interim financial statements and the audited financial statements at year-end before making them public, as well as the documents prepared for electronic deposit with regulatory authorities. The Committee may make whatever changes it deems necessary to the financial statements. Otherwise, the Committee recommends the approval of these financial statements by the Board.
- 2.1.2 The Committee examines the notes to the financial statements and all management reports accompanying the financial statements distributed to the shareholders and/or to the regulatory authorities, as well as press releases issued along with the financial statements, notes and related comments. The Committee makes all the modifications deemed necessary to these documents. Otherwise, it recommends the approval of these documents by the Board.

2.2 External Auditors

- 2.2.1 The Committee makes recommendations to the Board with regard to the selection of external auditors, their remuneration and their reappointment, as the case may be. It reviews the audit plan with the external auditors and defines the specific needs of the Committee. The Committee receives the auditors' report with the accompanying notes.
- 2.2.2 The Committee meets with the external auditors before the beginning of their mandate and, at this meeting, examines and approves the scope of the audit plan as well as the audit fees allocated to the work to be done.
- 2.2.3 At that time, the Committee analyzes the external auditors' independence, reviews services other than audit services to be performed by the external auditors and determines if the nature and extent of these services may or may not be prejudicial to their independence. The Committee reviews the hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Corporation.
- 2.2.4 The Committee also meets with the external auditors at the meeting planned for the examination of the year-end audited financial statements and, on this occasion, receives the post-audit report that will mainly deal with:- The acceptability and quality of the Corporation's accounting principles;
- The quality of the accounting systems and internal controls put in place by Management to ensure the integrity of the accounting and financial information;
 - The recommendations made by the auditors to Management with respect to the accounting systems and internal controls, and Management's response thereto;
 - The assessment of the measures put in place to deal with the risks faced by the Corporation when, in the auditors' opinion, certain factors could have a material impact on the results of the Corporation; and
 - The difficulties encountered by the external auditors in the course of their mandate, in particular any restrictions imposed by Management or serious accounting questions over which they disagreed with Management.
- 2.2.5 At these meetings, the Audit Committee may meet with the auditors, out of the presence of the Corporation's Management and the internal directors. In fact, the Committee has direct access to the external auditors and Management and may hold private and informal discussions with each of the parties, whenever deemed opportune in carrying out their mandate.

- 2.2.6 Also, the Management of the Corporation and the external auditors may, if necessary, ask to meet the members of the Committee to review with them all transactions, procedures or other questions which, in their opinion, are relevant to the mandate of the Committee.
- 2.2.7 The Audit Committee must approve, in advance, all the services that are not related to the audit that the external auditors do for the Corporation and its subsidiaries.
- 2.2.8 The Committee examines the conditions of the mandate of the external auditors and verifies that the fees are appropriate and reasonable for the audit and approves unpaid fees.
- 2.2.9 The Committee is in charge of resolving disagreements between the management of the Corporation and the external auditors concerning the financial reporting.

3. Responsibilities of the Committee - Conflicts of Interest

Every year or more often, as required, the Committee examines:

- 3.1 Any situation that has been brought to its attention that may cause a conflict of interest and, more particularly, the approval of the financial conditions applicable within the framework of contracts with persons or companies related to or affiliated with the Corporation, to ensure that these contracts are as advantageous to the Corporation as if they had been negotiated with other parties.
- 3.2 Any eventual violation of a contract that is brought to its attention and which could have an impact on the financial statements.

4. Appointment of Auditors - Other Resources

In performing its duties, the Committee may hire all necessary resources.

Each year, after having verified the qualifications of the incumbent or potential auditors, the Committee must recommend to the Board the appointment of external auditors. At its first meeting of the year in March, the Committee must consider whether it is appropriate, for the next fiscal year, to proceed with a call for tenders from various auditing firms or to renew the mandate of the auditors in place.

If Management proposes a change of external auditors, the Committee must be informed of the reasons for such a change and, in all cases, approve the information to be made public in accordance with the regulations.

5. Composition

The Audit Committee consists of a minimum of three directors appointed by the Board at the first meeting following the annual general meeting of the shareholders.

All members of the Committee shall be financially literate. A member of the Committee who is not financially literate will work towards becoming financially literate in a reasonable delay. At least one (1) member of the Committee shall have accounting or related financial management expertise.

For the purposes of this Charter, the definition of “financially literate” is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Corporation’s financial statements.

6. Chairman of the Committee

The Chairman of the Committee is selected by the members of the Committee unless he is appointed by the Board; in the case of absence, unavailability or if he vacates his post, the chairmanship will be assumed by a member chosen by the Committee.

7. Number of Meetings

The Committee will meet at least four (4) times per year or more, if necessary. Meetings can be held by conference call.

A member of the Committee may convene a special meeting.

8. Organization

The Committee appoints a Secretary.

Before each Committee meeting, the Secretary distributes a written agenda to the members. The Secretary will also maintain minutes of each meeting.

9. Quorum and Decisions

A majority of Committee members shall constitute a quorum.

Provided there is a quorum, decisions are made by a vote of the majority of the members present.

10. Report

The Committee reports to the Board of Directors. The minutes of a Committee meeting constitute a report in itself.
